CITY OF RESIDENCE Bountiful

YEARS OF RESIDENCE 50

AGE 62

OCCUPATION Financial Advisor/CPA

I am running for Bountiful City Council and ask for your vote. With 30 years of experience in the financial services industry as a Certified Public Accountant (CPA) and financial advisor, I've helped individuals and companies achieve their financial goals. You can trust that the experience and knowledge I have gained will be used to make a difference for you!

A core principle that has shaped my professional and personal life is: "Live within your means." This applies to both individuals and governments. During my career, I have never met anyone who wants to pay more taxes. This means government must operate as efficiently and effectively as possible to limit the tax burden on citizens. It is also important for governments (and businesses) to identify key areas where investment is required to maintain the high level of service residents have come to expect.

I am asking for your vote so I can represent you as a member of the Bountiful City Council. I believe the future of Bountiful is bright, and I look forward to using my experience to benefit the amazing people of Bountiful.
