CITY OF RESIDENCE Eagle Mountain

YEARS OF RESIDENCE 4

AGE 47

OCCUPATION Realtor & Substitute Teacher

I bring both classroom and community experience to my candidacy. As a Century Club substitute teacher and active PTA volunteer, I've spent significant time in our schools, giving me firsthand understanding of student and teacher needs. My career as an award-winning realtor and small business owner has strengthened my skills in problem-solving, communication, and collaboration.

I am also a parent advocate, with personal experience supporting one son on the autism spectrum and another enrolled in the A.L.L. (gifted) program. These perspectives drive my commitment to improving both special education resources and advanced learning opportunities, ensuring equity of opportunity, and creating an environment where every student can succeed.

My priorities include:

Attracting and retaining excellent educators and staff

Strengthening special education programs and resources

Expanding opportunities for gifted and advanced students

Managing class sizes for better learning conditions

Ensuring smooth transitions as the Lake Mountain School District is established

Promoting transparency, accountability, and meaningful community input

My vision is to help build schools that inspire students, support families, and empower educators.
