We have a once in a generation opportunity to build a new school district that reflects the needs of our rapidly growing community. I'm Edon Davenport, and I'm running for Lake Mountain School Board to deliver strong results for students, teachers, and families.

With more than 15 years of experience as a nonprofit leader and grant writer, I've secured millions of dollars for programs serving children and families. I also hold a Master's degree in Human Relations and Business, equipping me to manage budgets responsibly and bring resources to strengthen our schools.

As a mother of four children ranging from elementary through high school, I see our schools' challenges firsthand. As PTA President at Saratoga Shores Elementary, I led our school to earn the National PTA School of Excellence Award, secured grants for mental health and digital wellness initiatives, and advocated for public education statewide through the Utah PTA's Legislative Advocacy Committee.

Our community deserves a school board member who brings fresh ideas, plans wisely for the future, and stands up for students and teachers today. I'm committed to Putting Kids First, Supporting Teachers, Responsible Budgets, and Open Communication.

Vote Edon Davenport for Lake Mountain School Board Seat 7.
