OCCUPATION Educator/Athletic Administrator

I am Michael O'Connor, a 24-year resident of Eagle Mountain, Utah with 34-years of Education Experience.

As a new district, we have the opportunity to Build Together and Win Together. My vision is to ensure we provide the very best educational experience for all students while remaining financially stable and having a strong strategic plan. This vision includes:

Comprehensive Schools: Schools offering a full range of educational opportunities tailored to meet the needs of our students and communities. Programs include Language Immersion, Gifted & Talented, AP, CE, SPED, Performing Arts, Activities and Athletics.

Attracting and Retaining Great Teachers: A district that attracts the best teachers with competitive salaries, benefits and retirement, but also ensures they feel supported, appreciated and equipped with resources to be successful.

Partnership with Parents: Building a positive, collaborative culture between parents, teachers & administrators. Education is a shared responsibility, and we all have a role to play, both at school and at home.

Building Trust: Trust and strong relationships is the foundation of any successful community. We need to cultivate trust between district leadership, administrators, teachers, support staff, students, and parents.

Let's all Build Together to Win Together!!! Vote Michael O'Connor for Seat 3/School Board.
