**CITY OF RESIDENCE** Eagle Mountain

**YEARS OF RESIDENCE** 22

**AGE**

**OCCUPATION** Substitute Teacher for Alpine School District

As a mother of six with children in our public schools and the spouse of an Alpine District school social worker, I understand firsthand the challenges and opportunities our schools face. I live it every day—through my kids’ experiences, my husband’s work, and my own time as a substitute teacher.

I am running for the Lake Mountain School Board to bring strong, compassionate leadership—championing educators, advocating for students, and making thoughtful, community-driven decisions in partnership with parents.

Every student should walk into school feeling safe, supported, and equipped to learn, grow, and reach their full potential. Our educators should feel respected, valued, and empowered. Families deserve someone they can count on—someone who will listen, care, and lead with integrity.

I have served on PTA and SCC boards, our HOA board, and the city’s Parks and Rec Committee. As a resident of Eagle Mountain for 22 years, I care deeply about our community and know how to get things done by working together.

Public education is powerful, and strong local leadership makes the difference. I’m ready to serve—and I would be honored to earn your vote.
