CITY OF RESIDENCE Avon, Utah

YEARS OF RESIDENCE 50 years

AGE 72

OCCUPATION Retired Teacher/Farmer

I have lived in Avon my entire life on the family farm milking cows and raising beef cattle. I retired from the Cache School District in 2011 after teaching sixth grade for 33 years. I was elected to the school board in 2012 representing the south end of the valley.

I am married to Colette Pulsipher and we have three married children and 10 grandchildren. My family has always been involved in education with two grandfathers and my father being educators. My wife also taught and retired from Bridgerland Technical College. I am a firm believer of a quality education and know of the importance of being educated members of the community. I know the Cache School District does a great job of educating students for success in an ever changing world. It is my desire to continue serving my community and the district to provide a great learning experience for our children.
