OCCUPATION

Blake Moore is a lifelong Utahn from Ogden who is working to deliver conservative results for Utah families. First elected by his colleagues in 2023 to serve as Vice Chair of the House Republican Conference, Blake holds a key leadership role that gives Utah a stronger voice in Washington.

Blake serves on the Ways & Means Committee, the Budget Committee, and the Steering Committee, where he has focused on lowering taxes, improving affordability, tackling the debt and deficit, supporting American energy dominance, strengthening small businesses, and protecting Utah values. He had more initiatives included in the Working Families Tax Cuts than any other committee member and was recognized as a “Fiscal Hero” by the Committee for a Responsible Federal Budget.

Throughout his time in Congress, Blake has built a record of defending the Second Amendment, protecting life, advocating for healthcare transparency, strengthening Hill Air Force Base, promoting strong families, keeping communities safe, and advancing an aspirational vision for the next generation.

Blake and his wife, Jane, are the proud parents of four boys. He comes home each week to coach Little League and stay connected to the community he serves. He is endorsed by countless Northern Utah leaders.
